Welcome

We are delighted to welcome you to Al-Furqaan Preparatory School – a nurturing, faith-based environment in the heart of Dewsbury, serving children from Nursery to Year 6 since 1996.

Our friendly, one-form entry school is built on strong relationships, high expectations, and a warm sense of community. We're proud of our heritage, where many former pupils now return as parents, and where kindness, respect, and belonging are part of everyday life.

At Al-Furqaan, we balance academic excellence with Islamic values, helping children grow in confidence, character, and faith. Our dedicated staff inspire pupils to think deeply, act responsibly, and develop a lifelong love of learning.

We are excited to embark on this journey with you and your child.

Farhana Mullan
Headteacher

السلام عليكم

Our School Ethos

Education

Striving to achieve academic excellence

Morality

Embed Islamic values to serve future generations

Imaan

Foster and develop god-conscious individuals

Our Vision

Al-Furqaan Prep School was founded to provide a high standard of education, in an Islamic environment where children can feel happy, safe and secure. We strongly believe that providing an education according to Islamic guidelines will instill self-confidence, self-belief and high aspirations. We aim to develop ambitious, resilient and successful children that can be proud of their identity and can then go on to play an integral part in making a positive contribution in today's society. The aim of the institution is to create a school environment, which instills in the children love and obedience of the Almighty in accordance with the practices of our beloved Prophet (peace be upon him) and enables them to benefit from the teachings of the Holy Quran, in their daily lives. In order to do so Al-Furqaan Prep School aspires to provide the best Islamic moral & spiritual guidance within the school curriculum.

We endeavour to:

- Use the Qur'an and Hadith as a source of guidance in all of our teaching and learning
- Provide an excellent working environment where children can thrive and reach their full potential
- Develop resources and maintain high standards so they may benefit from working with each other
- Promote Islamic etiquettes throughout the school
- Consistently embed Islamic teachings by demonstrating compassion, respect and good treatment of others
- Create a calm, peaceful and happy environment
- Raise spiritually god-conscious individuals that take responsibility for their actions
- To empower pupils through the Qur'an to be able distinguish between right and wrong
- Preach steadfastness on Imaan, so they may grow up to lead meaningful successful lives

We strive to provide a comfortable and relaxed environment where all students study subjects from the National Curriculum within an Islamic framework. There is a strong focus on spiritual, moral, social and cultural development, as well as the teaching and promotion of British Values, where children learn about democracy, individual liberty, respect for the rule of law, mutual respect and tolerance of those of different faiths or no faith.

Our educational program is designed to cultivate respect, honesty, responsibility, integrity, self-discipline, and develop characteristics in individuals which will enable them to be good citizens who make a positive contribution to the wider community.

We try our utmost to ensure all pupils are safe, happy and healthy, and enjoy their learning journey with us. In an establishment where every child matters, all students will Insha Allah have an opportunity to develop to their full potential.

Al-Furqaan Prep School

School Background

Al-Furqaan Prep School was established in September 1996 by a group of concerned parents and scholars, who wanted to ensure that their children were informed about Islamic principles and had an opportunity of being educated within an environment where they were not deprived of practicing their faith whilst studying.

1996

Working With Parents

We believe education is a partnership between child, teacher and parent. Consistent co-operation is vital for the wellbeing of each child and we hope to develop a strong partnership with parents. Parents are invited to contact the school at any time during the school day, by writing a note in their child's planners or by writing a message on Class Dojo.

We endeavour to make the school a lively and interesting place where children enjoy learning. By fostering their intellectual, social, emotional, spiritual and physical development, we hope our children will become confident, hardworking, responsible and considerate individuals.

Fairness & Equality

The school aims to provide a caring environment, which is secure, stable, consistent and fair. We offer the opportunity for all children to experience success and promote high standards of tolerance, respect and responsibility within the school. We believe that the best education takes place in an atmosphere where each child feels safe and secure and is treated with equality. There is an emphasis on rewarding progress, recognising achievement and striving for excellence.

Admission

Al-Furqaan Prep School caters for the educational needs of children between the ages of 2-11. Our doors are open to all parents who would like their child to attain a good education within an Islamic environment.

Pastoral Care

The school aims to create a family environment where all adults care for all students and students care for each other, therefore pastoral care exercised by all members of staff at all times. Attention is paid to the health, safety, attainment and wellbeing of all students. If there is a perceived need, relevant team members will discuss concerns with parent/carer and decide on a course of action.

Safeguarding Children

Al-Furqaan Prep School is committed to safeguarding, promoting and protecting children from maltreatment in or outside the home, including online, and providing help and support to meet the needs of children as soon as problems emerge. We expect all staff and volunteers to share this commitment

 Al-Furqaan Prep School
Safeguarding Team

Need help? Are you worried about something?

You can speak to any adult at school about anything that is worrying you.

However there are three adults who have a special job of: *"Keeping you safe"*.

 Mr Zakaria Seedat Nominated Safeguarding Governor	 Mrs Farhana Mullan Safeguarding Lead	 Mr Abdul Maajid Rawat Deputy Safeguarding Lead
---------------------------------------------------------------------------------------------------------------------------------------------	--------------------------------------------------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------------------------------------------------------------

Speak to us - we're here to listen to you

Need someone to talk to? We're always here for you...

First Aid

The health and safety of the whole school community is of paramount importance. With this in mind we have trained first aiders across the key stages.

Account Number: 36024791

Account Sort Code: 52-30-29
Bank: NatWest

Attendance

Punctual and regular attendance is encouraged by the school at all times as it helps children progress. Regular absence and poor punctuality from school can affect the child's personal, social and educational development.

Permission for absence should be obtained beforehand but in the case of illness school must be notified before 9.00 a.m. General doctors/dentist appointments should be kept out of school hours. No holidays should be taken in term time.

Our School Day

Daily Routine

KS1

8:30 - 8:55	Registration/PSHE (Ta'leem)/Prayers
8:55 - 9:30	Handwriting/Reading
9:30 - 10:30	Lesson 1
10:30 - 10:45	Mid-morning Break
10:45 - 11:45	Lesson 2
11:45 - 12:15	Lunch Time
12:15 - 1:00	Lesson 3
1:00 - 1:30/1:45	Lesson 4
1:30 - 2:00	Lesson 5
2:00 - 2:15	Storytime

Assembly:

Wednesday 8:55 - 9:15

Friday 8:55 - 9:15

Daily Routine

KS2

8:30 - 8:55	Registration/PSHE (Ta'leem)/Prayers
8:55 - 9:15	Handwriting/Reading
9:15 - 10:15	Lesson 1
10:15 - 10:30	Mid-morning Break
10:30 - 11:30	Lesson 2
11:30 - 12:00	Lunch Time
12:00 - 12:30/1:00	Lesson 3
1:00- 1:45	Lesson 4
1:30 - 2:00	Lesson 5
2:00 - 2:15	Salah

Assembly:

Wednesday 8:55 - 9:15

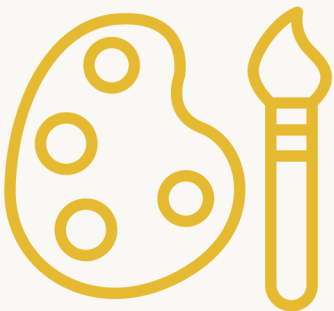

Friday 8:55 - 9:15

Curriculum

The following subject areas are covered at KS1 & KS2:

- English
- Maths
- Science
- Geography
- History
- Computing
- Arabic Language
- Religious Education
- Physical Education
- Citizenship
- PShE/Ta'leem
- Islamic Studies
- Art/DT

Special emphasis is placed on individual development in all subjects but particularly in literacy and numeracy. Children are taught using a variety of teaching strategies, which include whole class, group and individual teaching. The children are assessed regularly. If there are any concerns about a child's social or academic development then the school will make immediate contact with parents/carers.

Please note that although the school provides almost all educational material occasionally parents are requested to contribute towards books or other resources.

Academic Performance and Assessments

Children are regularly assessed in reading, writing and mathematics. The results of these on-going assessments inform future planning. Targets are set regularly, and each child's progress is tracked to ensure these targets are met. As an independent school, Al-Furqaan is not required to take the SATs tests. However, we prepare our students for these tests at the end of KS2 (Year 6) to assess our educational standards.

SATs Results 2025

Maths - 100%

English Reading - 100%

SPAG - 100%

Students are also tested in all subjects throughout the year to monitor progress. In year 2, students undertake optional KS1 SATs, which assess and help us measure their progress against local and national standards.

Reports & Pupil/Student Progress

Parents are informed about pupil progress through results in school planners, parent days and end of year reports.

Assemblies and School Events

The aim and purpose of having a school assembly is:

To impart Islamic values through the teaching of Ahadith.

To provide an opportunity for the whole school to share and reflect upon spiritual and moral values.

To promote the school ethos and to reinforce positive attitudes.

To encourage participation, response and public speaking.

To develop a sense of community spirit and understanding of other religions and cultures.

To develop a sense of identity and self-esteem.

To develop an understanding and appreciation of key British Values.

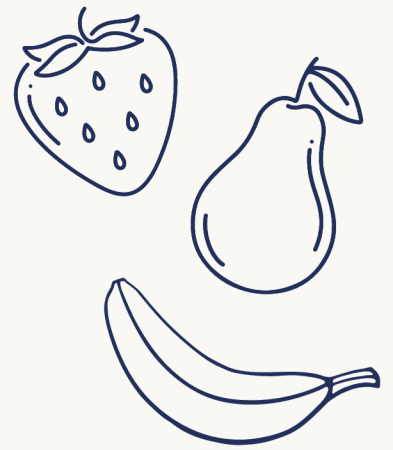

Children participate by reciting prayers, performing nasheeds and delivering class presentations.

The school also holds other various events throughout the year. These include class assemblies, parent assemblies, Qiraat and nasheed presentations, jalsahs and parent workshops, breakfast mornings, theme days and more.

Being Healthy

To promote and adopt healthy eating practices children are encouraged to eat fruit, vegetables, cheese or yoghurt at break times. Parents are encouraged to send a healthy packed lunch (child portion). If a treat has been included, please ensure it is only a small treat (e.g. Crackers; a small chocolate biscuit; a cereal bar; dried fruit). Sweets, crisps, chocolates and fizzy drinks are not allowed.

Children have access to and are encouraged to drink water throughout the day. Please make sure your child has a clean, labelled water bottle with a sports top.

We offer 'Tuck Shop' to children in KS1 and KS2 during breaktimes.

Active Breaks and the Buddying initiative:

We have two play areas which children use at break times. Children are encouraged to be active at breaktime and have access to play equipment e.g. footballs, skipping ropes, tennis balls etc. We also have a 'playground buddy' initiative in place which ensures all children feel welcome and are included in breaktime.

Homework

Homework is regarded as an important means of reinforcing work studied at school, as well as a means of encouraging self-discipline.

It is expected that each parent will encourage and support their child and ensure that a quiet place of study is made available at home for their homework. Parents are also advised to check their child's homework is completed on time and sign the pupil planner.

All adults should remember that praise of good work and effort, rather than undue pressure, is vital and will spur children of all ages to achieve success.

Behaviour Initiatives

The school works on the principle that parents and students share in the educational partnership. School rules are set to ensure all our children are aware of the expectations. Children are encouraged to work hard and behave sensibly, responsibly and with good manners.

Team Points

Good behaviour and progress are all rewarded through the team points system. Points are given by the teaching and non-teaching staff and Head teacher for good work and behaviour.

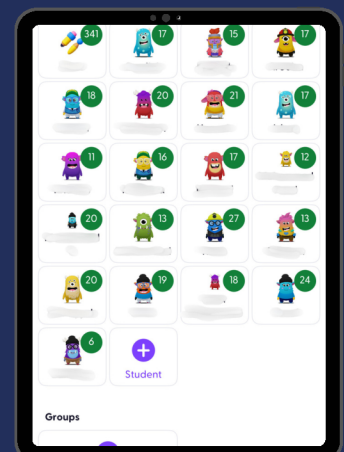

Hadhrat Aisha (R.A)	Red
Hadhrat Asma (R.A)	Yellow
Hadhrat Bilal (R.A)	Green
Hadhrat Hassan (R.A)	Blue

House teams are named after four respected Muslim personalities, who are role models for all of us.

Class Dojo

We also use class dojo which is an interactive platform that supports positive pupil participation and gives real-time feedback to parents.

Behaviour Issues

The school takes positive action for continuous misconduct by consulting the parents when the need arises and by suspension or exclusion if necessary. Incidents of misconduct are reported and recorded by the class teacher and the Head teacher.

Disruptive or inappropriate behaviour is dealt with in an age-appropriate manner e.g. at KS2 continuous disruptive misbehaviour results in a verbal reminder, followed by a break detention and filling in a behaviour reflection form which allows the children to reflect upon and explain the cause of such behaviour actions.

Repeated misbehaviour will result in the child in subsequent detentions and a phone call to parents. This serves to inform parents of misconduct.

In the event of children with unresolved behavioural problems, parents may be invited to have a discussion on this matter. Exclusions will apply after all due procedures are followed.

Educational Visits

The educational visits undertaken at Al-Furqaan Prep School are designed to enrich and enhance the curriculum and linked to topics studied by the children in the various year groups. There will be a moderate charge for these trips.

There will be a moderate charge for these trips. Parents will be informed prior to the visits and all children should be sent dressed appropriately in flat comfortable footwear with a packed lunch.

Nursery

The Nursery (and Reception Class) curriculum is based on the Early Years Foundation Stage Curriculum, and this provides experiences which allow children to develop the basic skills and knowledge they will need to meet the demands of the curriculum in KS1.

It encourages children from an early age to become independent thinkers who are responsible for their own actions. Careful thought and planning goes into the layout of the Nursery, allowing clearly defined areas for each activity. There is ample space for the children to enjoy the full range of activities available.

AM Nursery transport is also available. Please contact the school for further details.

Nursery Hours:

Monday - Friday	8:30 AM - 11:30 AM (Morning)
Monday - Friday	11:30 AM - 2:30PM (Afternoon)

Parental Care - School Starts At Home

Education is a continuous process which takes place at school and home. Parental involvement is the single most important influence upon a pupil's progress and development. We value and encourage parents to play an active role in their child's education. This includes reviewing and discussing their child's performance with teachers together with ways of improving their child's learning methods.

As parents, we must be mindful that our children are (for better or for worse) a product of the homes we established.

Our challenge is to establish a home environment, which is moral and wholesome. Healthy families are indispensable to the development of humanity and fundamental to the sanctity of life. Let us value and nurture our families specially our children for the pleasure of the Almighty, not be diverted from this goal by things that contribute little or nothing to the beauty of life.

The mother is a Madrasah
(School) If you prepare her, you
are preparing a nation of noble
descendants The mother is a
teacher of teachers.

-Hadith

School Policies

The school has the following policies in operation, and they are updated on a regular basis to meet statutory requirements. These policies are available to view from the school office.

- Admissions policy
- Equal Opportunities policy
- Safeguarding and Child Protection policy
- Promoting Positive Behaviour, Rewards & Sanctions Policy
- Anti-bullying policy
- Complaints policy
- Confidentiality policy
- SEND policy
- Health & Safety policy
- Attendance policy
- School Trips Policy
- First Aid policy
- Health protection policy

Information about further policies is available from the school office during school hours.

A list of all staff with their qualifications is also available on request.

The school is managed by a team of governors. They can be contacted via the school's email or the school's address.

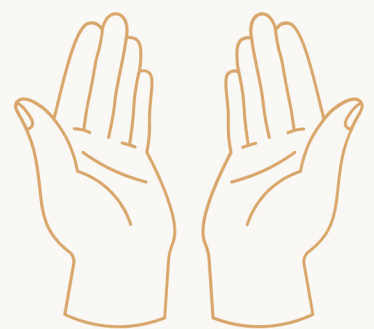

Chairman of governors: Mr Bilal Aswat
Mobile Number: 07392 239 411

“We would like to give your child the best opportunity and experience in learning and development.”

-Moulana Yusuf Bham (RA)

We really hope that this prospectus has helped you to make a decision. Voluntary assistance to the school is appreciated greatly, together with your Du'as (prayers) and financial assistance.

All information in this Prospectus is correct at the time of going to press. However, some aspects may change during the academic year.

School Inspectorate

The school was previously regulated by OFSTED, however as of March 2023 the school is regulated by Independent Schools Inspectorate (ISI).

ISI is appointed by the Department for Education to inspect association independent schools in England. ISI inspections report to the Department for Education on the extent to which the statutory Independent School Standards are met.

When the school is inspected, the report and feedback will be given to all parents. The Inspection Report will also be available on the ISI website.

If you are interested in sending your child to AL-FURQAAN, then please fill in an 'application' form.

For further details please call:
